

Egro ONE

Daily Coffee Cleaning

1 Tap the clock rapidly 4 times to enter the cleaning program menu.

2 Select the coffee cleaning from the options.

Note: If you have fridge with your machine, you can select the coffee and milk cleaning.

3 Follow on-screen instructions. Remove the grounds bin and empty. Wipe clean the grounds bin area.

4 Insert cleaning tablet into the chute on top of the machine.

*Use one (1) Coffee Machine Cleaning Tablet

5 After cleaning runs, press 'Exit' to finish cleaning.

DO NOT SHUT THE MACHINE OFF DURING CLEANING!

It will cause the machine to become disabled and your warranty may be voided.

Shutting off the machine will NOT reset the cleaning counter. The only way to unblock a machine that has been blocked due to lack of cleaning is to perform the complete daily cleaning.

Cleaning Product Re-Order Information
