

## Egro Zero+

### Daily Coffee and Milk Cleaning

Tap  on the interface rapidly 3 times to enter the cleaning menu. Select the Coffee Cleaning program.

Note: for Quick Milk models, reference the Daily Coffee and Milk Cleaning guide

When prompted, remove and empty the coffee grounds bin. Wipe grounds bin area. Replace grounds bin and close door.

Place an Egro Coffee Machine Cleaning Tablet in the chute on top of the machine. Follow onscreen instructions and press "Enter" once the automated cleaning has been completed.

#### **DO NOT SHUT THE MACHINE OFF DURING CLEANING!**

It will cause the machine to become disabled and may void your warranty. Shutting off the machine will not reset the cleaning counter. To unblock a machine that has been blocked due to lack of cleaning, the complete daily cleaning must be performed.
