SILVIA PRO X

stainless steel, black, white, and pink

| | |
|---------|------------|
| US MAP | \$ 1870.00 |
| CAD MAP | \$ 2338.00 |

Dual Boilers and PIDs allow simultaneous steaming and brewing with only 1° F temperature variance at the group

Variable Soft Infusion gently soaks the coffee puck with ambient-pressure water to reduce the risk of channelling

Brew Pressure Gauge makes it simple to monitor coffee boiler pressure

Redesigned Portafilter Holder with 18 gram basket

4 Colors Options include classic Stainless Steel, Black, White, and Pink
