

SILVIA

The iconic Rancilio Silvia home espresso machine delivers premium espresso brewing with compact and stylish design. Combining commercial-grade components and simple controls results in a satisfying home barista workflow.

Silvia in Black

Silvia in Stainless Steel

FEATURES

Reliable Brewing Technology

The Silvia is powered by a 0.3 L insulated brass boiler. Combined with the commercial brass grouphead, it provides impressive heat retention and temperature stability.

Premium Construction

Both inside and out, the Silvia features top-of-the-line materials and components. Body panels, frame, and steam wand are all made of steel.

Professional Tools

The included barista kit contains professional accessories to match the Silvia's performance. Highlighted by a updated 58 mm chrome-plated portafilter, the kit also includes 8g and 16g baskets plus helpful cleaning tools.
