

SILVIA PRO X

A modern update to the classic Silvia. The Pro X retains the original model's refined style and commercial build quality while adding enhanced brewing performance, digital temperature control, and a streamlined workflow.

Silvia Pro X in White

Silvia Pro X in Black

FEATURES

Dual Boilers & PIDs

Independent coffee and steam boilers make it simple to brew espresso and steam milk simultaneously. Each boiler is equipped with a PID controller for excellent temperature stability.

Digital Display & Interface

An easy-to-read display enables you to view an automatic shot timer, adjust brewing temperature and steam boiler pressure, start a guided cleaning program, and manage other machine functions.

Variable Soft Infusion

Mimicing a pre-infusion function, Varibale Soft Infusion gently soaks the coffee puck with ambient-pressure water to even out the bed of coffee and reduce channeling.

CONFIGURATIONS

Brewing Controls Manual start/stop

Hot Water Controls Manual start/stop

OPTIONS

Colors Black White Pink Stainless

TECH SPECS

Voltage	110 V	Width	9.8"
Element	1000 W	Depth	16.5"
Amps	15 A	Height	15.3"
