

CLASSE 5 USB 1G

This professional-grade single group machine features proven brewing technology and controls from the Classe range, distilled into our most compact commercial model. Programmable presets provide greater consistency and an easy cleaning function.

Classe 5 USB 1 Group in "Stone Grey"

Classe 5 USB 1 Group with iSteam in "Anthracite Black"

FEATURES

Simple Setup

Our single group traditional espresso machines connect to a standard commercial wall outlet and only take up 16" of countertop width, making it easy to add high-quality espresso to your existing workspace.

Barista-friendly Interface

All touch surfaces are easy to access and built to last. A redesigned portafilter handle and standard C-lever steam valve make Classe models comfortable to work with. Brewing preset buttons are backlit and soft-touch.

LED Work Area Lights

Bright and functional LEDs add visibility for espresso and steam workflows. Now standard on all Classe models.

CONFIGURATIONS

Brewing Controls Programmable presets

Hot Water Controls Manual knob

OPTIONS

Colors Black White Gray
